PATENT
Attorney Docket No.: JHU1530-3

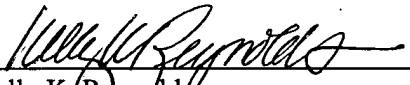

REMARKS

Claims 62 to 64 have been amended as set forth in the above "Complete Listing of the Claims." As amended, the claims are supported by the specification and the original claims and do not add any new matter. In particular, claims 62 to 64 were amended to correct the claim dependencies of these claims. Original claims 1 to 7 were reinstated and amended and set forth as new claims 66 to 72. As presented, claims 66 to 72 specifically recite only SEQ ID NOs: 26 and 27. Thus, upon entry of the amendments, claims 62 to 72 will be pending.

Applicants maintain that claims 62 to 72 clearly and patentably define the invention and respectfully request the allowance of the claims which are now pending. If the Examiner would like to discuss any of the issues raised in the Office Action, Applicant's representative can be reached at (858) 677-1456. Please charge any additional fees, or make any credits, to Deposit Account No. 50-1355.

Respectfully submitted,
